

Mission Statement

Helicharter Wales Limited will provide safe, efficient, economic and effective flight services for its clients. It will aim to be a flight above other commercial competitors in its professional, reliable and accessible approach to Aviation.

Bookings and Price Guide

Wedding Flights are generally a minimum of one hour's helicopter hire at £575.00 + VAT. Our uniformed Pilots and ground crew, will give you plenty of time for photography prior to, and following your flight arrival. Flights are completely bespoke and we offer a totally no obligation quotation service. You will be given a guidance note, and assistance in finding a suitable landing site. An on the ground site survey will be carried out in most cases prior to the flight departure day (unless your landing or departure site has been surveyed in the past), which will incur a non refundable charge of £100.00 (minimum charge can vary according to travelling distance incurred). This site visit will include a photographic record which will be logged for Civil Aviation Authority audit purposes.

The sum of £100.00 must be paid prior to any necessary surveys taking place, together with a 25% deposit for your flight booking, following survey work. Full final payment to be made 14 days prior to the departure date.

Weather

To ensure your safety and enjoyment, all flights are dependant on local and possibly regional weather conditions, depending on your requirements. It is therefore ESSENTIAL that you telephone in advance of your journey to discuss weather conditions on your flight day with our Flight Crew. Helicharter Wales always liaise prior to the operation with the Met Office. From this information we are able to obtain a good overview of the three day forecast. You will have been advised that the helicopter flight should be booked as an additional very special element to your big day, and not as your main form of transportation. If we are unable to fulfil your flight requirements due to inclement flight patterns, which would result in illegal flight activity, then a refund will be given with the exception of the site survey fee of £100.00. All of this will be discussed with the Flight Crew at the time of booking.

Payment

Pre payment must be made in advance of all flights. We accept all major credit cards together with cheques and accompany cheque guarantee cards. Please see our full TERMS AND CONDITIONS for further details – available on request, or printable from our website at www.helicharterwales.com. Please note that terms and conditions relating to your particular flight booking are relevant together with any additional terms and conditions issued on charter, pleasure flight and filming confirmation documents as issued by HCW.
